Made in Europe - Premium Quality

YACHTBEACH - your own floating beach

Do you love to whiz across the water on your yacht, set your sails to the wind, and let your soul wander? If so, you surely know that feeling when you've dropped anchor in a beautiful cove but your sundeck always seems to be too small. With these new and innovative yacht platforms from YACHTBEACH now you can create your own private beach directly attached to your boat. This premium platform of European production was designed for performance-loving yacht owners. Now they and their sun-worshiping guests can enjoy the perfect island for reading, relaxing, or diving in and out of the water. YACHTBEACH can be a platform for fitness, yoga and mindfulness, or as a floating party lounge for the best sessions and funniest memories.

This piece of freedom can be combined in several ways. With its unique handle connection system you can easily build your ideal docking station for your Jet Ski, tender, Seabob, SUP and much more.

Aesthetic soft, non-skid, durable saltwater and UV resistant materials guarantee luxurious and long-lasting comfort.

Modular connectivity with 12 handle connection points

12-point YACHTBEACH Handle Connection System:

- * allows for very comfortable and easy to use handling
- * enables multiple connection options
- * quick and easy installation
- * reduces risk of injury because of no metal parts
- * provides an almost seamless surface together with the YACHTBEACH Connector Wedge

Created for unscrupulous swimming in the sea and to enjoy wonderful pool days behind your yacht. Bathe in the sea without being disturbed by unpleasant encounters like jellyfish and other sea creatures or marine particles. Thanks to the fine-meshed PVC inner protection net, you are perfectly protected.

Enjoy a carefree time behind your yacht with your loved ones. You lie extremely gently and comfortably on the pleasant foam top surface. The teak look is a real eye-catcher. It is noteworthy that the Luxury Pool can be easily combined with all Yachtbeach 4.1 platforms. Made for safe swimming in the sea and to enjoy wonderful pool days behind your yacht. Bathe in the sea without being disturbed by un-pleasant encounters with jellyfish and other sea creatures or floating sea particles.

YACHTBEACH Luxury Pool 4.1x4.1m

- Interior dimensions: 310cm x 260cm made with a fine-mesh protective net
- Depth: about 220cm
- External dimensions: 410cm x 410cm
- Lying surface: width of 100cm
- Side surfaces: width of 50cm
- Material thickness: reinforced drop stitch with a thickness of 20cm - offers you incredible stability and is extremely safe, even when there are several people on the Yachtbeach Luxury Pool.
- Valve: equipped with 2 high pressure valves which allow a quick and easy filling. The high-quality pressure relief valve always ensures the right pressure at the pool. Thanks to the 2 valves, they save 50% of time when filling & emptying
- Handles: 22 high-quality fastening, carrying and handholds
- D rings: 4 D-rings on the top and bottom / 6 D-rings on the inside of the pool
- Foam top: made of flexible EVA teak
- Ladder included
- Pack size approx. : 185x56x43cm
- Weight approx. : 62 kg

Scope of delivery: Carrying bag and repair set without glue. Pump is not included.

MULTI DOCK & LOUNGER

JET SKI DOCK

NEW!!!

available ex Germany
15.07.2020

Yachtbeacht Multi Dock and Lounger 2.05m x 2.05m x 0.2m

In the premium segment, Yachtbeach is launching the brand new Multi Dock and Lounger. Suitable for easy parking of up to 2: Seabobs or IAqua, Amazea, Jetsurf Boards, Awake Boards, Radinn Boards, Fliteboards, Lift Boards, Magicsurf Boards, Onean Boards, esurf Boards or Lampuga Boards

In addition to parking, it also offers a super comfortable lounge function for 2 people. It can also be used and attached in the luxury pool. It is noteworthy that the Yachtbeach Multi Dock and Lounger can be easily combined and varied with all Yachtbeach 4.1 & 3.0 platforms and luxury pools using the handle connection system. Beautiful, pleasant, non-slip and hard-wearing foam surface made of EVA in teak look.

Detailed information:

- Material: Dropstitch with 20cm thickness - offers incredible stability and even more safety
- Foam top: made of flexible EVA Teak, UV and salt water resistant.
- 4 handles: Handle Connection System offers compatibility with all Yachtbeach platforms and luxury pools, as well as for other common platforms
- Valve: equipped with 2 high pressure valves which allow quick and easy filling and emptying. The high-quality pressure relief valve ensures the right pressure even in sunshine. 2 valves save 50% of the time when filling or emptying.
- D-rings: 3 D-rings for numerous fastening options
- 2 ballast bags
- External dimensions: 205cm x 205cm
- Pack size approx.: 70x40x30cm
- Weight about 16.4 kg
- Scope of delivery: Carrying bag and repair kit without glue. Pump is not included.

YACHTBEACH Jet Ski Dock 4.1x3m

In the premium segment, Yachtbeach launches the brand new luxury Jet Ski Dock. Easily park up to 2 large Jet Skis with their remaining watersport equipment on the Jet Ski Dock. The teak-optic foam surface made of hardened EVA is an eye-catcher itself and invites you to take a bath or lounge for a little while. It is noteworthy that you can easily combine the Yachtbeach Jet Ski Dock with all common Yachtbeach 4.1 & 3.1 platforms and make a variety of combinations possible.

- The Jet Ski Dock has longer divided arms that the jet skis can not collide and be better protected. The divided arms are each 200cm long and 55cm wide - the middle department arm has a width of 40cm

- Material thickness: 20cm strengthened drop stitch
- Valve: 2-chamber safety system
- Foam Top: made of hardened EVA
- D-rings: 4 D-rings at the bottom - 12 D-rings at the top for numerous mounting options
- External dimensions: 410cm x 300cm
- Handles: 10 high-quality fastening and carrying handles
- Pack size: 111x68x23cm - Weight approx. 38kg
- incl. Carrying bag and repair set without glue.

The AquaBanas P40 System comfortably holds over 40 people. The package includes:

- 1x - Picnic Bana
- 1x - Party Bana
- 1x - Splash Bana
- 1x - Swim Up Bana
- 1x - Transition Bana
- 1x - BT120 Bana Tent
- 1x - BT180WT Bana Tent
- 8x - Raised Double Loungers

Standard Features shown below:

Non Slip Tops

Retractable Ballast Bags

Cooler Cut Out

Quick Stew Access

Netted Footwells

Anchor Plates

AquaBanas are high quality inflatable floating platforms (called Banas) that connect together to form larger floating platforms called Bana Cities on the water. All systems start with either the Party Bana or the Picnic Bana, and grow from there.

All Banas are loaded with applicable standard features such as:

How do AquaBanas work?

Standard Features

- 1 - 20cm/8" Drop Stitch Deck
- 2 - Connecting Handles
- 3 - Non-Slip Top Surface
- 4 - Tent Anchor Rings
- 5 - Quick Step Access
- 6 - Stable Ballast Bags
- 7 - Footwell Openings
- 8 - Drop Stitch Table Top
- 9 - Inflated Back Rests
- 10 - Cooler Cut Out
- 11 - Multiple Inflation Valves

How to Start your Bana City

All AquaBanas systems typically start with either the Picnic or Party Bana as a Foundation. There are currently 2 table styles offered: a 120cm/48" round table, or a 218cm/86" rectangular table called the Picnic Bana.

Picnic Bana
Seats 10 Adults

Party Bana
Seats 6 Large Adults

These items will serve as the foundation to connect all other Bana products to as you build your Bana City system.

P16 Bana System

Creating a Bana City

Create a Bana City for 16 people in about 30 minutes!

AquaBanas are designed to easily connect together to form larger platforms called Bana Cities. The handles on the edges of the Banas have a unique fastener that quickly connects "them together" and holds securely while in use.

Four easy steps to create your Bana City!

1 - Start with a Bana Foundation table

2 - Add another Bana, such as a Splash Bana

3 - Add Loungers as desired.

4 - Add a Bana Tent.

All AquaBanas decks are designed to connect to Bana Tents.

Party Bana

Have lunch on the water, or hang out all day on the Party Bana. This Bana is a foundational Bana for creating a Bana City.

Party Bana
Seats 6+ Adults
Room for more on deck
Inflatable Back Rests
Cooler Cutout
Quick Step Access

Stored Dims	cm/ft-inches	140 x 70 x 50cm - 56" x 24" x 24"	Non-Slip Surface	Double Layer Side Walls	

Splash Bana

The Splash Bana allows up to 8 people to sit or lay comfortably on the deck. The center hole is netted so kids and adults can splash safely without falling through. Add another Bana Deck, or Bana Tent, to enhance the experience.

Adding a Bana Tent is easy!

Quickly add any style of Bana Tent to any style of AquaBanas decks. All tents and decks come standard with the needed hardware to make the connections.

Length Overall	cm/ft-inches	340 x 340cm - 11'x11'	Standard Features		Standard Equipment
Height	cm/ft-inches	50cm - 20"	20cm thickness Drop Stitch Fabric	Anchor Points	Carrying Wrap
No. of Chambers		5	Ballast Bags	Quick Step	Repair Kit
Weight	kg/lbs	60kg - 132lbs	316 Stainless Steel D-rings	Cooler Cut Out	Instruction Sheet

Stored Dims	cm/ft-inches	110 x 60 x 30cm - 43" x 24" x 12"	Non-Slip Surface	Double Layer Side Walls	

Transition Bana 410

Bana Tents

The Transition Bana 410 is designed to connect most major manufacturers water park systems together!

FINALLY - Someone has designed a way to interconnect almost every major water park manufacturers products together into one continuous system! This is big news! Whether your connection system is a 5 ring design, or a 200cm wide design, or connects at 410cm with handles on top, the Transition Bana 410 has connections in all the appropriate places to seamlessly make the connection. This will allow you to connect AquaBanas and other YachtBeach products directly to existing water parks for more versatility!

The Transition Bana 410 is also a great space for Yoga and other exercise activities!

The Bana Tent BT180-WT is the perfect tent for the Transition Bana 410 as it provides great shade and allows people to easily walk through to adjoining decks.

Length Overall	cm/ft-inches	410 x 340cm - 13'-6" x 11'	Standard Features		Standard Equipment
Height	cm/ft-inches	20cm - 8"	20cm thickness Drop Stitch Fabric	Anchor Points	Carrying Wrap
No. of Chambers		1	Ballast Bags	Cooler Cut Out	Repair Kit
Weight	kg/lbs	60kg - 132lbs	316 Stainless Steel D-rings	Tent Ready	Instruction Sheet
Air Pressure	psi/bar	4.5psi Deck	Handles	Double Layer Side Walls	Non-Slip Surface
Stored Dims	cm/ft-inches	120 x 70 x 30cm - 48" x 28" x 12"	Non-Slip Surface		

All Bana Tents are designed to fit any bana deck. These tents provide excellent shade on the water. In addition, the tents float directly on the water and can also be used on the beach! How's that for a versatile product? Also, the person standing under the tent above is over 180cm (72") tall and has plenty of room. Bana Tents provide great shade on sunny days.

Contact a sales rep for more details.

Stored Dims	70 x 40 x 40cm - 28" x 18" x 18"		

Swim Up Bana

Swim Up Bana connected to a Command Bana!

The Swim Up Bana is a great utility inflatable that serves many uses. Use it as a swim up bar while in the water, or lay out on it for sun. It can be used as a launching station for paddle boards and kayaks.

Seabob's, electric surfboards, and foils can easily fit on top when they're not in use, or connect it to another Bana as part of a Bana City system.

Custom POP Pools

Custom Jet Ski Docks

Courtesy
MY Andiamo

Courtesy of
MY Big Sky

The POP Pool is a revolutionary inflatable pool design for yachts. POP stands for Pop Out Pool, and it allows the netted pool portion to be taken out separately from the deck. The pool deck is also broken into smaller pieces that are much lighter and easier to handle, deploy and stow. All POP Pool designs are custom fitted to each yacht.

We are able to provide a Jet Ski Dock solution that makes handling, deployment and stowage much easier. These multi part inflatables are designed to fit the curve of the transom, and have bollards, as needed, to keep the inflatable from going under the swim platform. All Jet Ski Docks have non slip surfaces and are custom made to each yacht.

Contact a sales rep for more details.

Custom Yacht Slides

"I LOVE INFLATABLE SLIDES" - said No Yachtie EVER!

Yacht Slides are incredibly popular with guests, but are generally not liked by crews at all. Our team has designed and installed hundreds of slides on the largest yachts in the world. Let our experience give you new ways to handle slides and other large inflatables. All slides are custom fitted to each yacht.

Contact a sales rep for more details.

All Climbing Walls are custom fitted to each yacht. The drawing above includes an optional Auto Belay system, and a landing deck. Climbing Walls can be built in any size or color, and can have logos added as needed.

P10 Combo

The P10 Combo is perfect for sandbars and other shallow water front locations like beach bars and restaurants.

The unit consists of a Double Lounger (up to 3 can be connected), a Command Bana, and a Swim Up Bana. Add some cool floating aftermarket seats to allow people to float in the water while they consume their favorite beverages from the coolers located in the built in cooler cut outs. The Quick Step inside the Command Bana provides easy access up onto the decks where you can easily walk around on the non-slip surface. It's easy to launch kayaks and paddle boards off the fingers of the Swim Up Bana as well.

This little powerhouse combo can provide a full day of fun!

1x Double Raised Lounger

P26 Combo

The P26 Combo is made for people to hang out and relax on the water. This system consists of the YACHTBEACH Sofas and loungers, plus the Party Bana and the Transition Bana. 26 people can comfortably enjoy this system. Even better, add a Bana Tent for shade on the water!

There are 100's of combinations of Bana Cities that can be created with the current products that are available. It is better to discuss your needs with a sales representative to help you decide the best solution for your application.

P10 Combo

AquaBanas
Line

POP 3 Pool
Party Bana
BT120 Tent
2x - Dbl Loungers
Capacity - 14 people

Spend the day on the water chilling in the AquaBanas Party Bana and create memories like no other! We can help you design your own specific POP Pool and AquaBanas Combo package to fit your taste. Also, adding an AquaBanas deck to any existing yacht sea pool is not a problem.

AquaBanas can design a custom bana for your sponsorship needs.

Jet Ski or dinghy? BOTH!
Have the ultimate fun on your Jet Ski with space for 6 more people! This innovative Jet Ski extension is the biggest party on the water! EU Certification as a boat!

JETXTENDER is an indispensable accessory for your Jet Ski. It looks and feels like a regular inflatable boat, but attaching it to a Jet Ski means no more outboard motor! Jet Ski owners love speed and manoeuvrability, but miss the room to take more passengers along. The JETXTENDER offers them the best of both worlds.

JETXTENDER is light and packs up so small that you can carry it on your Jet Ski. It inflates in just moments and is easy to attach. You can ride it with agility through very shallow waters. JETXTENDER also works great at both - high and low speeds, making it unrivalled in both - recreational or rescue applications.

We tested it: Using a BRP Spark TRIXX with 90hp, the JETXTENDER has performed great at 20 knots with 1+4 people, and with 2+8 people at 15 knots.

You can use it with any other Jet Ski, too, for extra space, buoyancy, stability, safety and visibility.

YOU WILL LOVE THIS GADGET!

JetXtender ... Extend your Jet Ski

CREATE YOUR INDIVIDUAL DESIGN

Due to the production in Europe, the JETXTENDER becomes your unique specimen. You choose your own colors and logos to match your Jet Ski or yacht.

Individual appearance for rescue, fire and military.

For watersport stations, JETXTENDER offers perfect transport options. With striking design and concise advertising message, your station becomes an eye catcher.

Floating Cup Holder

NEW!!!

available ex Germany

15.06.2020

Yachtbeach - floating cup holder

The Yachtbeach Floating Cup Holder is simply a part of a relaxing day on the water. It offers enough space for glasses, cans, bottles or other drinks. When you open the zipper you get to the valve and you can easily inflate the cup holder. Thanks to the loaded artificial marine leather, it is very UV resistant and highly resistant in terms of scratches. It is very easy to clean and the 4 cup holders are made of real stainless steel.

Detailed information:
Material: artificial marine leather
4 stainless steel drink holders
size: 36cm x 36cm x 11cm

Code 20363

Price excl. VAT € 89,95
